Smith, Registered Engineer, dated DECEMBER 5, 1985, and bearing a Certificate of Approval executed by the Planning Administrator, Department of Community Development of the City of Little Rock, and showing the bounds and dimensions of the property now being subdivided into lots and streets.

Allotter hereby donates and dedicates to the

said streets, there are shown on said plat certain easements for drainage and utilities which Allotter hereby donates and dedicates to and for the use by public utilities, the same being, without limiting generality of the foregoing, electric power, gas, telephone, water and sewer, with the right hereby granted to the persons, firms or corporations engaged in the supplying of such utilities to use and occupy such easements, and to have free ingress and egress therefrom for the installation, maintenance, repair and replacement of such utility services. The lands embraced in said plat shall be forever known as "Lots 202; 208; 400-407; 410-420; 480 and 481; 490-503; and 510-514, inclusive, ST.
